Painting/Drawing/ Photography

- Photography ‘Man or machine?’: Is this Australia’s most controversial photo?
<https://apple.news/A33I58hIRRfyloDc6CYhUQ>

- AI DALL-E
<https://openai.com/dall-e-2/>

“DALL·E 2 is a new AI system that can create realistic images and art from a description in natural language.”

- HOTPOT
<https://hotpot.ai>

“Hotpot helps you create amazing graphics, pictures, and text.”

Problem of asking AI to draw something in the style of a living artist or owners of copyright, should the AI package pay royalties for using the works of these artists
